

## Lankelly Chase Foundation

The Lankelly Chase Foundation has been working with the DTA for a number of years, and developed a programme of grants for community enterprises in rural areas.

---

Programme is now closed for new applications

In April 2005, the Lankelly Foundation merged with its sister charity, the Chase Charity, to form a new grant making trust the LankellyChase Foundation. The 'Supporting Community Enterprise Grants Programme' is an important part of the work of LankellyChase.
